

ABOUT WILD NIGHTS

The San Francisco Zoo provides exciting opportunities to camp in the heart of the city. Wild Nights is an overnight program intended for organized youth groups such as Scout or school groups. **Participants must be at least 6 years old to attend.**

From dusk until dawn, groups will enjoy the sights and sounds of the Zoo. A special keeper talk will illustrate the great care the Zoo provides to its residents and the role zoos play in the conservation of wildlife. You will also learn some and simple ways that you can help conserve at home. Evening snacks, activities, and a continental breakfast are included. Our professional staff offer fun adventures while leaving our guests with a memorable experience of a special night at the San Francisco Zoo.
